Re: Four Parks Bond Projects

To Whom It May Concern:

The Tamara Peacock Company has recently completed the design and construction administration of two of the four parks projects. Timeliness is particularly important given the grant constraints associated with these projects. Throughout all phases of these projects, Tamara Peacock and her staff have been thorough, reliable and timely in tasks.

They have been present at Council meetings, have been always willing to communicate creative designs, innovative solutions, and project status. I have found Tamara and her team to be responsive to all requests, including volunteering for civic activities within our City.

I recommend The Tamara Peacock Company for their hard work and dedication to the City and the City's Parks Bond projects.

Sincerely,

  
Joseph L. Gallegos
